

During Westweek 2012 in Los Angeles, *interiors* Editorial Director Michael Wollaeger and designer Catherine Fellowes took part in the panel Demystifying White, moderated by noted design editor and author Linda O'Keefe at the Thomas Lavin showroom at the Pacific Design Center. *interiors* also hosted Secrets of a Successful Showroom at the Mimi London showroom, with showroom owner Mark Boone and designers Nick Berman, Gennaro Rosetti, Carolyn Ray and William Stuart.

interiors Editor-in-Chief Arianne Nardo led the Eat, Design Lovel Westweek panel at the new Aran Cucine showroom at the Pacific Design Center. She was joined by designer Jiun Ho, designer Christopher Kennedy, and chef Josiah Citrin of the two-star Michelin restaurant Melisse to discuss trends in cooking, home entertaining and kitchen design. Aran Cucine, the contemporary kitchen design company, opened its Los Angeles showroom last fall and counts Martyn Lawrence Bullard as a client.

interiors hosted the Ralph Pucci International party to kick off Westweek, and followed that up with a discussion and book signing with Ralph Pucci. *interiors* Editorial Director Michael Wollaeger spoke with Mr. Pucci about his unique vision, his approach to his artists and his books, *Show and Wall*.
