Jiun Ho, Inc. was founded in 1999 and quickly became one of the world's leading innovative design studios by creating furnishings and environments for the "experience of living." The firm is known for its widely published furniture collection and for its product designs for such firms as Boyd Lighting and Kallista. Jiun Ho, Inc. is equally noted for its bold yet refined residential and hospitality interiors—the acclaimed Jiun Ho-designed Hotel Renew in Hawaii has just opened. Diverse lifestyles are celebrated through unique and classic interiors, mixing custom furniture designs with pieces collected from all over the world. A perfect balance of restraint and daring is the hallmark of Jiun Ho and makes him one of the most sought-after designers of his generation.
