Outdoor Designs That Will Turn Your Patio Into a Ritzy Resort

Want your backyard oasis to transport you to another world, maybe the outdoor terrace of a swanky hotel? These eight decor additions are a start.

4. Art That Works

This teak table by San Francisco designer Jiun Ho, inspired by a renowned temple in Kyoto, Japan, does double duty. Its 9-foot breadth can handle sizable dinner crowds while it weathers into a silvery gray masterpiece. “Resorts always have sculptures!” said Abess.
